

ATM Cardholder Agreement

1. Intending to be legally bound, I ask BankORION to make financial transactions for me when I use my card in Automatic Teller Machines. I accept your card, and I agree that you may treat the entry of instructions accompanied by my Personal Identification Number (PIN) selected by me as being the same as written withdrawal order, payment or deposit order, or other order, (as applicable) bearing my genuine signature.
2. I assume all responsibility imposed on me under law for each use of my card and PIN until I have notified BankORION not to honor them and you have had a reasonable time to act on my notice. I acknowledge the card is the property of BankORION, and I will return the card to BankORION on request.
3. I will notify BankORION promptly if the card is lost, stolen, or used by someone other than me without my authorization.
4. I agree that transactions made through this system remain subject to any other rules or regulations applicable, and to any other agreements between BankORION and the signers on the ATM card applications (for example your checking or savings account rules). BankORION may make changes in this agreement by written notice mailed to me at my most recent address on record at BankORION.

Convenient, Fast, and Easy

A BankORION ATM card puts all your banking needs at your fingertips 7 days a week, 24 hours a day.

Use your card at ATM locations with Cirrus® logos.

The front of your card is imprinted with your customer number which is registered to your checking and/or savings account. A secret 4-digit Personal Identification Number (PIN)* is used in conjunction with your card.

Just insert your ATM card into a participating terminal and enter your PIN. The screen on the terminal will lead you through your transaction with easy-to-follow instructions. You can use your card for multiple transactions in one visit or make multiple visits during the day if the need arises.

The screen on the ATM terminal will show each transaction. If you make a mistake, it is possible to correct it on the spot by canceling out the transaction and re-entering the correct one.

Each individual terminal controls the increments that you may request in cash, but your daily withdrawal limit is controlled by BankORION. Our current daily withdrawal limit is \$300.

*10,000 code variations are possible with a four digit PIN.

Simplified Record-Keeping

When you use your ATM card for a banking transaction you receive a receipt indicating the date, amount, type of transaction, and balance information. Each ATM transaction is also itemized on your monthly BankORION statement. For your convenience, combination checking/savings statements are available.

ATM Fees

BankORION will impose a foreign ATM withdrawal fee with an excess of four foreign withdrawals per statement cycle. (Foreign refers to transactions completed at an ATM not owned or operated by BankORION.) The charge for each foreign ATM withdrawal in excess of four per statement cycle is \$1.00.

NOTICE REGARDING ATM FEES BY OTHERS:
IF YOU USE AN AUTOMATED TELLER MACHINE THAT IS NOT OWNED OR OPERATED BY BANKORION YOU MAY BE CHARGED A FEE BY THE OPERATOR OF THE MACHINE AND/OR BY AN AUTOMATED TRANSFER NETWORK.
